Sir,

With advertence to the Dewan's Order camp No. 18 dated 28th October 1881, on the Subject of the sale of the leaves of date trees on Government lands, I have the honor to inform you that this item was never a direct source of revenue to Government in this District, and therefore in order to ascertain the amount for which it should be farmed out to the Toddy Contractors I directed that tenders should be invited for it.

2. The Toddy trees are most in- Goribidnur, and the Amildar of that Taluk reports that the ryots used to take date leaves free for making ropes for agri-

-cultural

of rural improves.

3: The farm is to be put up to auction on the 30th instant, by the Amildar and I intimated to him my opinion, subject to correction by the Dewan, that the farming out of the leases on contract should not curtail the existing rights and privileges of the ryots therein. Will you be good enough to obtain for me an expression of the Dewan's views on the subject?

I have the honor to be,
Sir,

Proceedings of the Dewan to His Highness the Maha Raja of Mysore, (Revenue),—dated 28th October 1881.

READ—

Letters Nos. 395, 441 and 450 of the 20th August, and 4th and 9th September 1881 respectively, from the Deputy Commissioner of the Hassan District.

CAMP No. 18, DATED 28TH OCTOBER 1881.

ORDER THEREON.—The system hitherto in force which associated a monopoly of date leaves with the monopoly of toddy given on contract was deemed objectionable on the ground of its placing the poor classes who live by making mats from date leaves at the mercy of the contractors, and it was therefore resolved to separate this item from the toddy contract, and it was provided in Section XI of the Advertisement that the contractors shall not cut or use any leaves except such as may have to be removed for the purpose of drawing toddy.

2. The right to the leaves of date trees situated on Government lands has thus been reserved for separate disposal, but as it must occasion inconvenience to have two sets of contractors handling the trees, one for toddy and the other for leaves, it would be preferable to give the contract for the leaves on the date trees on Government lands to the respective toddy contractors. There is now the less objection to this course on the score of its giving rise to a monopoly as the holders of lands are now at liberty to use and dispose of the leaves of the date trees on their lands without reference to the toddy contractors.

3. Future toddy contracts will therefore comprise the use of the leaves of the date trees on Government lands made over to the contractor for the time beng. In the case of the existing toddy contracts, which do not comprise the right or allows it but partially, the Deputy Commissioners should arrange to make over the date leaves to the contractors for half the amount realized or credited under this heae in the previous years. Should the contractors not take them up on the above terms, proposals for their separate sale should be submitted.

4. These orders do not affect the rent of "Kir Ichalu" or the smaller species of date which are not used for drawing toddy, and which can be sold separately by villages wherever they are found.

Sir

In continuation to my letter No. 1720/631 of the 27th January last, I have the honor to state that the right to the leaves of date trees was sold Taluk by Taluk by public auction, and the highest bids amounted in the aggregate to Rupees 67¼ only in the marginally noted 4 Taluks. No bids were received from the other Taluks. The Toddy Contractors may I think be called upon to pay a lump sum of Rupees 100/ for all the Taluks for the official year 1882-83. Early instructions are solicited.

Sir,—6

Referring to correspondence ending with your docket No. 30 dated 3rd April last, I have the honor to state that on my communicating the proposed terms of the date leaves to the Soddy Contractors, they have declined to accept them. They only offer to pay ½ of the bids for the marginally noted Taluks, but unless the Contract for leaves is taken up for the whole District, it is not in my opinion advisable to give it in fragments for a few Taluks only. I propose therefore to reject the Contractors offer, and reserve the item to Government.

R AI No.

No 3607 of 17 August 82 Order thereon :-

The amount involved is but small As it is necessary to extend to the Contractors in Kolar the same consideration that has been shewn to the Contractors in the other Districts, viz, to accept from them half the reputed value of the Date Leases contract, their proposal to give Rs. 33. 10. 0., being half of the highest bids actually received, has to be accepted

and the contract given
to them for the period
